CORPORATE MEMBERSHIP APPLICATION

The **Pacific Aircraft Maintenance Engineers Association** is a non profit association founded to promote and protect the aviation maintenance profession. **PAMEA's** mandate is to increase the knowledge, skill and proficiency of it's members. It is non partisan, non sectarian and non union. The Association is guided by an elected Board of Directors. **PAMEA** sponsors and co-ordinates an annual Symposium and Trade Show where delegates have an opportunity to receive update training and where a variety of new products are offered. As a Corporate Member you may register up to 5 employees to attend the Symposium and Trade Show at the Member's rate.

PAMEA is a Charter Member of the Canadian Federation of AME Associations (CFAMEA). CFAMEA represents the Pacific, Western Canada, Central Canada, Ontario, Quebec and Atlantic AME Associations.

A new Corporate Member receives a framed certificate, suitable for display, signifying your company is part of the **PAMEA** team. You will receive subscriptions to the Air Maintenance Update Magazine and our Newsletter. Your company will be acknowledged in the Newsletter as a Corporate Member and given a special place in the Symposium program as a supporter of the **Pacific Aircraft Maintenance Engineers Association**.
